DEADLINE 12 FULL DAYS BEFORE THE END OF THE MONTH

Subscription Rate: \$1.00 per year payable by money order or cheque.

Authorized as second class mail by the Post Office Department  
 Ottawa, and for payment of postage in cash.

## EDITORIAL

### Thank You and Adieu'

This is the last issue of the Griesbach Bugle that I will be editing before leaving for Eastern Canada on posting.

I wish to take this opportunity of thanking the many unit news reporters and other writers for their news contributions, and also express my sincere appreciation for the co-operation of the editorial staff who have maintained the Griesbach Bugle at such a high standard for a community and service newspaper.

I also wish to acknowledge the support given by the advertisers, Alberta Printing Co., Pazder Art Engravers, Information Services of Canadian Forces Headquarters, The Edmonton Journal, the Chairman and Council members of the Griesbach Association, the various community organizations and committees, the delivery boys, and many others.

And finally, to the readers, it's been a pleasure serving you during the past 18 months.

The Editor.

## The Library Corner

### Summer Hours

During July and August and until September 8th the library will only be open on Wednesday evenings and Saturday mornings. During this period up to three books per card may be borrowed.

### Overdue Books

Please return those books. In a small library such as ours tardiness in returning books deprives other members of the pleasure of reading a sometime long awaited book. Overdue notices will be going out shortly.

### Clearances

With the posting season fast approaching members are once again reminded of the need to turn in library cards at the library prior to departure. This is the only way we have of keeping our membership lists up-to-date.

## Our Front Cover

The changing of the Guard ceremony on Parliament Hill will be performed this summer by the 1st Battalion, The Canadian Guards, the unit which introduced the ceremony there in 1959. For the past five years the 2nd Battalion of the Guards has carried out this duty, but it is scheduled to go to Cyprus in September if the United Nations mandate is extended.

Performed on the east lawn in front of the Peace Tower every morning at 10 o'clock, this year the ceremony will begin June 28 and end September 7th.

Although the changing the Guard ceremony takes place on Parliament Hill, the actual posting of sentries takes place at Government House. Sentries are mounted from 10 a. m. until 6 p.m. daily.

## Griesbach Council Briefs

A programme covering activities at wading pools within the garrison has been arranged. A copy will be distributed to PMQ's.

Council approved the policy of registration fee for community activities. Effective Sept. 1 1965 this will vary between 25c and \$1.00 depending on the activity.

scheduled. Details will be circulated. Recreational swimming is being related to PMQ's.

Where necessary, playground equipment has been repaired and will be replaced as soon as possible.

YMCA Day Camp will be operated again this year. Due to a raise in the cost charged by the YMCA, rates will be higher this year. They will be subsidized by the Council. Details have been circulated to all PMQ's.

## Griesbach Fair Poster Winners

Div 1 (Grade 1, 2 & 3)

1st — Derek Gale  
 2nd — Dee Gale  
 3rd — Terry McDougall  
 HM — Paul Grouette

Div 2 (Grade 4, 5 & 6)

1st — Robert J. Hartmann  
 2nd — Jim Pratt  
 3rd — Michael J. Johnston  
 HM — Albert Figg

Div 3 (Grade 7, 8 & 9)

1st — Allan Widdows  
 2nd — Margaret Ehinger  
 3rd — Susanne Debney  
 HM — Wendy Fay  
 HM — Bruce Weber

Note: HM — Honorable mention.

## ALBERTA VILLAGES TOTAL 166

The new total of 166 villages and summer villages in the province of Alberta has come about as a result of the formation of new villages and three summer villages, effective January 1, 1965.

Canmore, twelve miles east of Banff, and Plamondon, near Lac la Biche, are the new villages, while the new summer villages are Norglenwold, on the west shore of Sylvan Lake; Golden Days, on the north eastern shore of Pigeon Lake; and Yellowstone, on the north shore of Lac Ste. Anne.

## Letters to the Editor

Dear Sir:

I would like to express my appreciation and thanks to all those who gave me their help and co-operation during the past year for the Jubilee Wives Club, to Mrs. E. M. K. MacGregor, J. Pruden, Mrs. H. Prouty, Mrs. H. Chatry, Mrs. D. Preece, Mrs. A. Park, my executive. Also to Lt. Col. MacGregor, Maj. Graham, Maj. Henderson, Capt. Langley, Cpls. Furness and Downey, and to the members who attended the meetings and to all those who worked in any way to help us.

My best wishes to the new executive for the continuing success of the club.

Sincerely,  
 Angela Couture,  
 Past President,  
 Jubilee Wives Club.

June 15, 1965

Dear Editor:

This is a most sincere thank you to all the wonderful people in the Griesbach area who helped to make our BLITZ NIGHT the success that it was. We are deeply grateful for all this help and as you know, it gives us great moral encouragement to know that there are people such as you who are always so willing to help us.

Our Blitz was a great success and to date we have taken in a net profit of approximately \$35,000.00

We assure each and everyone of you who helped us in any way, that we shall continue to strive to be worthy of the great trust that you have placed in us, by continuing to do all in our power to help our dear retarded children to be trained to their fullest capabilities so that some day they may be able to take their place within the community.

May God shower his blessings on each of you for your

wonderful consideration and help to us.

Once again, a sincere thank you from the bottom of our hearts.

Most sincerely,

Winnifred M. Stewart, R. N.  
 Principal, Winnifred Stewart School for Retarded Children

Dr. Lue Russell  
 President

Edmonton Association for Retarded Children

## DOG NUISANCE SHOULD BE STOPPED

Dear Sir:

With another summer season here, PMQ occupants are again faced with all the annoyances the nice weather usually brings — children running over other people's lawns, chasing after balls, breaking fences, etc., and dogs, which should be tied up, running at large and creating a public nuisance.

In my opinion, however, the worse of all summer pests is the pet owner who while taking his dog for an airing persists in stopping right in front of my residence.

I live in the "Old" section of camp and take pride in keeping my lawn looking neat and clean so it will be a credit to the Community. I achieve this at considerable expense and quite a bit of work on my part. I don't mind this but do strongly object to having the added unpleasant chore of having to clean up after someone else's pet.

I wonder if some drastic measure couldn't be taken to discourage this unsanitary practice which detracts so much from the clean attractive appearance of a person's lawn and the PMQ area in general.

Annoyed.

## Street Parade Winners

Judging of decorated bicycles, tricycles and carriages was conducted during the Griesbach Fair Street Parade, Saturday, May 29th.

Winners were named as follows:

Decorated Bicycles —

1st — Sherry Cossie (Hawaiian theme)  
 2nd — Cathy Haley (Canada theme)  
 3rd — Donna MacPhail (Blue Flowers)

Other Categories

1st — Lisa Henderson — Carriage  
 2nd Betty Kircner and Vickie Quainstance (Carriage and costume)  
 Joy and Mary Kircner, twins).  
 3rd — Allen Haley — Wagon (Zoo)

# INTEGRATION

## What Has Been Accomplished?

The announcement in the White Paper on Defence, tabled in March 1964, of the integration of the Canadian Forces made news headlines in Canada and in most western countries. Fifteen months later, with the dust beginning to settle, one might ask what has been accomplished so far.

First, the **Canadian Forces Headquarters** has replaced the old Navy, Army and Air Force Headquarters in Ottawa. Integration within this headquarters will be virtually completed this summer.

The first integrated branch to be established was that of the **Comptroller General**.

This was followed quickly by the formation of a **Defence Secretariat**, and a staff for **Intelligence, Planning and Programming**.

The **Personnel branch**, which affects the service lives of everyone in uniform, was also quick to become integrated. Among other things, it has been developing a common trade classification system which will enable common trades training and interchangeability of men between similar functions performed by the three arms. Some of the training will be integrated this year, and most will be on an integrated basis by mid-1967.

In the **Operational Readiness Branch**, whose concern is the fighting efficiency of the forces, all functions are now performed, and programs developed as a completely integrated organization.

Special problems pertaining to **logistics engineering and development** have made integration more difficult in these fields than in others. Nevertheless, Construction Engineering, Transportation, and Aircraft Maintenance are almost completely integrated, and considerable work has been done to integrate supply management.

An **Operational Research Division** has been established and is operating as a completely integrated organization.

The **Information Services** have been operating as an integrated organization in Ottawa and across the country since last fall.

The three service communication systems were amalgamated

ed into a single Canadian Forces **Communication System** on April 1, 1965, with a headquarters in Ottawa, and squadrons and detachments located across the country.

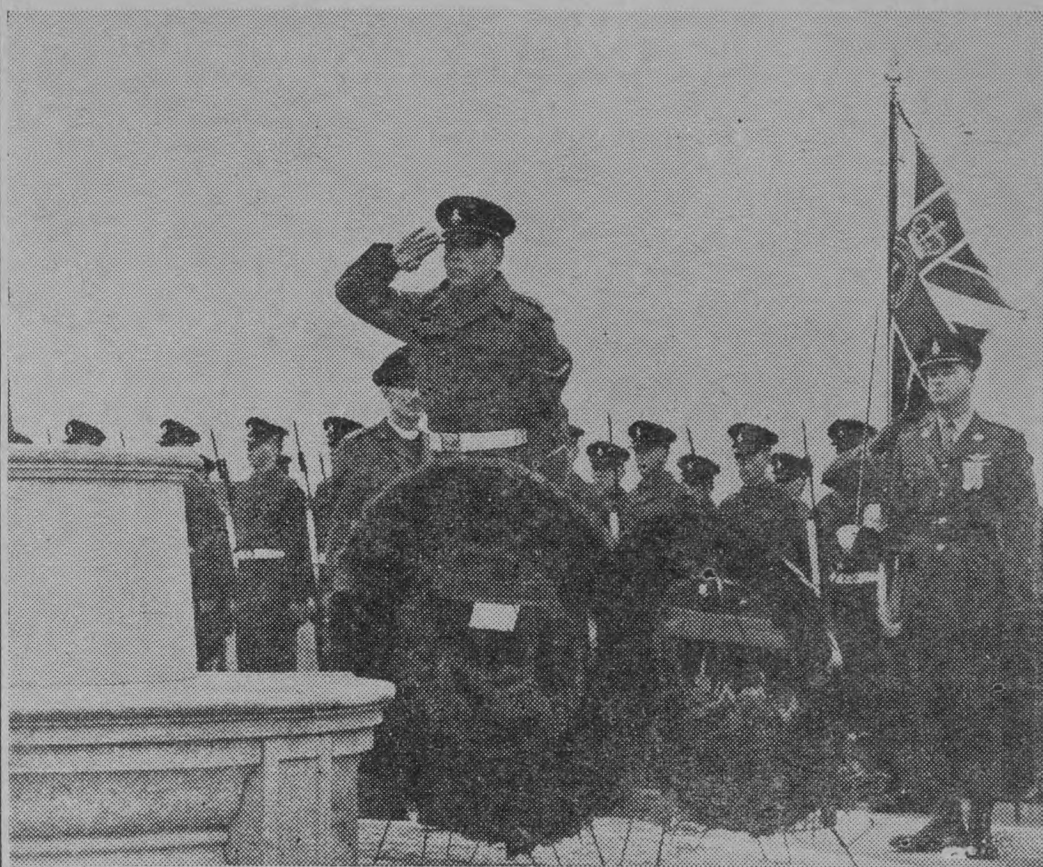

A completely integrated **recruiting organization** started to take shape on April 1, 1965, and will be completed in the late fall.

The second phase of integration, the creation of an **integrated command structure** for the field forces, is underway.

Where there previously were 11 major commands in Canada there will now be six: Mobile Command, Maritime Command, Air Defence Command, Air Transport Command, Training Command and Materiel Command.

Administration of the Militia, aid to the civil power, civil survival and provincial representation will be provided by small **regional offices** reporting direct to Canadian Forces Headquarters. Initially there will be four regional and 12 subordinate district offices but the final number and disposition of these offices is under study.

To quote from the White Paper: "...The integrated control of all aspects of planning and operations will produce a more effective and co-ordinated defence posture for Canada... In addition, the total savings to be effected will make available

On the 50th anniversary of the Battle of Frezenberg, members of the Princess Patricia's Canadian Light Infantry paid homage to those who fell in 1915 at ceremonies held at Frezenberg, Belgium. Those attending were members of the 1st Battalion of the regiment now stationed with the 4th Canadian Infantry Brigade Group in Germany. L/Cpl. Edward Picher of Sundry, Alberta, placed a wreath on behalf of the regiment at the foot of a Canadian maple tree which now stands as a memorial to the site of the battle. (National Defence Photo).

funds for capital equipment purchases, and eventually make possible more equitable distribution of the defence dollar between equipment and housekeeping costs."

Big steps towards achieving these aims have already been taken.

## RCOC Militia Units Visit 17 ROD

Thirty-seven officers and OR's of Alberta Area RCOC Militia Units took part in a conducted exercise held at 17 ROD on June 5th.

Major W. A. Penrose and Major G. J. Jones, CO's of Coy 7 Ord Bn, Edmonton and 6 Ord Coy, Calgary, respectively, along with thirty-five members of their units were greeted by Lt. Col. S. E. Hunter, Area Ordnance, and Commanding Officer, 17 ROD.

The purpose of the visit was to give the militia a briefing on the duties required by storeman and clerks in the RCOC. It afforded them an opportunity of becoming familiar with 17 ROD's operation and also to outline plans for the Militia Summer Camp.

The tour was organized in three phases. Phase 1 consisted of a tour through the Stock Control Office where detailed explanations of the various responsibilities of the clerk accounting were presented. Phase 2 covered a visit through the warehouse and orientation of the location system, repair and traffic areas. Phase 3 described the organization of a QM at Camp Wainwright and the different operations to be encountered in accounting and handling of stores.

Major H. R. Haines, Stock Control Officer, and Major A. V. Read, Ordnance Stores Officer, were instrumental in providing qualified personnel who assisted in making the exercise a complete success.

## Wheel Chair Presented

On May 15 at Red Cross House, Griesbach Grade 7 students presented a wheelchair to Dr. M. R. Bow, Honorary President, Edmonton Branch Red Cross, as the culmination of their Junior Red Cross project. Their class teacher, Vice-Principal John Karpiak, directed the project. Making the presentation on behalf of their class are Jane Cummins, Judith Grant and Wendy Appleton.

## Premature Releases Completed

The final list of service personnel in the rank of army captain, or equivalent, and below selected or premature release as part of the planned reduction of the Armed Forces has been completed.

Recently 11 officers and 554 men received individual letters of notification or release through their commanding officers. These officers and men will begin retirement leave at the end of this year, unless they request earlier release.

The number of personnel previously notified of premature release was 200 officers and 110 men of all ranks. This brings the total so notified to 875 officers and men, or less than 9 percent of the planned reduction of approximately 10,000.

As previously announced, the bulk of the reduction is being achieved by normal attrition due mainly to personnel reaching retirement age or for other normal reasons. However, the consolidation of positions in the integrated forces makes a number of positions redundant and in order to maintain a balance of age, a small percentage of the reduction is being achieved

by officers and men being retired before reaching normal retirement age.

The planned reduction scheme also ensures a healthy flow of promotions at all rank levels in the integrated forces.

There will be no further premature releases among officers of captain or equivalent rank or below, or among men. A few officers in the rank of major or equivalent and above may still be retired under the planned reduction scheme.

Officers and men released under the planned reduction scheme are granted special benefits in accordance with the provisions of an Order-in-Council approved by the Government in May, 1964. The amount of the special cash benefit increases with length of service up to a maximum of the equivalent of 10 months' pay for those with 15½ or more years of service. This special gratuity in addition to any normal leave or pension benefits. Personnel medically released during the period the Order-in-Council is effective are also eligible for the special benefits.

## Calendar of Events

### July, 1965

- July 1 — Dominion Day
- July 1 — A.P.R.A. Long Range Fullbore Rifle Matches at Calgary
- July 3 — 4 — Smallbore Rifle Match Championships at Calgary
- July 4 — U. S. Independence Day (1776)
- July 5 - 10 — Calgary Exhibition and Stampede
- July 11 — Pistol and Handgun Championships at Calgary
- July 12 - 17 — Klondike Days Exhibition at Edmonton
- July 12 - 17 — Melodrama: "Tempted, Tried and True" presented as part of Klondike Celebration, Strand Theatre, 8:30 p.m.
- July 26 - 31 — Provincial Exhibition, Regina
- July 27 - 31 — National Swimming Championships at Red Deer

By WO 1 B. Quaintance

### You've Heard of "PHEASANT UNDER GLASS"

### — — — Now Try "RIB ROAST Over Car Motor"

#### Cooking on your car motor

(Reprinted by request)

Since the army has given the writer of this column his "Standing Orders", (Driver Operator Permit) he has done some research into cooking on the motor of the family car while travelling.

#### Motor Cooked Roast

Lightly salt and pepper one arm or Rib Roast Approx. 2 to 3 lbs. or whatever is required

for the meal planned. Add a generous dash of meat tenderizer. Place the roast in an 18 x 24 inch sheet of extra heavy duty foil wrap. Bring the edges together and fold over twice to make a lock seam. Do this on the ends also, then press foil to the contour of roast. Press out all air and wrap same package in separate sheets of foil two more times — making sure ends are sealed. This will be three

wraps of foil altogether. Make the overall package as small as possible but keep the meat lying flat.

Place the package containing the roast on the car motor just before starting on the trip, laying it on the manifold of an 6 cylinder automobile, or between the cylinders on a V-8 type of engine, immediately ahead of the air filter.

A meal planned for noon should be placed on the motor around 8:30 a.m. or 9 a.m. After approximately 1½ hours of driving time at 50 or 60 miles per hour, the car should be stopped and the meat turned over so that it will not burn on one side. When ready to serve simply open the foil and shape the foil in the form of a dish or platter leftovers are delicious in sandwiches for the next meal on the road.

#### Baked potatoes on motor

Select medium size potatoes suitable for individual servings. Place in saucepan on camp stove and cover with water, bring to boil for five minutes. (This is important if you want the potatoes to get done). I stress this because one might place the potatoes on the motor cold.

After the potatoes have boiled for five minutes, remove from water and wrap each potato in a square of foil as meat was done above. Carrots can be cooked also, following the same procedure as potatoes except boil for ten minutes.

#### Wieners on the road.

Wrap wiener in bacon strips then wrap in foil as described in directions for cooking roast.

Serve in hot dog rolls that have been warmed on the motor, with mustard, chopped onions or relish.

#### Chicken on the way

Cut young broiler or fryer in half, salt pepper and use meat tenderizer. Wrap same as roast and cook in the same manner. This makes a delicious dish. Just a little preparation ahead of time will make just a trip to the lake for the day more fun when you reach your destination to know

that your meal will be cooked and piping hot.

#### DON'T TOUCH. REPORT.

Do you want your name in print? Playing with dud ammunition can lead to the obituary or injury columns, or perhaps the court pages for those sent to jail for illegal possession. STAY AWAY. DON'T TOUCH. REPORT.

# 17 ROD NEWS BRIEFS

By: WO 2 J.A. ERSKINE

## Casino Night

The last social gathering of the season was held on June 19th at the P. T. Lounge. Thousands of dollars (make believe of course) were quickly won and lost as many of the guests took a fling at the gambling tables.

Lts. Bishop and Johnson, with their wives attractively decked out in Klondike attire, contributed a touch of the good old days to the party.

Mr. and Mrs. Frank Read, parents of Major A. V. Read were present. Mr. Read, now a resident of Virden, Manitoba, is a former member of the RCASC and retired from the service in 1958.

Staff Gord Turpin, who came to us from Ft. Churchill last September, used the get-together for a farewell to the unit. Gord is headed for Europe and HQ CBUE. He left for a short holiday down east on June 15th.

## Integration?

Staff Gary Wesley painted a beautiful picture of the future the other day when he asked if anyone had seen "The Village Blacksmith" singing "Anchors

Aweigh" while looking up into the "Wild Blue Yonder". Could be, Gary!

## GEORGE'S Amphojet

During a recent water safety extravaganza held at Lake Wabamun, our amphibious car protege Staff George Neale was present to display his driving skill on land and sea. No doubt many of us who listened to the radio description of the event were thrilled to hear CERN's Jim Roberts thank Mr. George Neale for the privilege of riding in his boat-er-car-er ship oh, you know what. Perhaps George can set up a touring service when he retires!

Lt. Gerard L. Hourihan has been TOS'd from Montreal May 26th, and replaces Lt. R. D. Johnson who will be leaving this summer for London, Ontario, and 27 COD. He attended Loyola College and gained a BComm in accounting.

Lt. R. S. Parliament, 27 C.O.D., London, has arrived in Edmonton for employment with the I Cadre. Lt. A. S. Turner is also a new arrival from Montreal

and is with our Calgary Det. Both officers were recently commissioned from WO2's.

Sgt. Les Balfour is expecting his release shortly and will soon be managing a Heavy Equipment Rental outfit in Fort St. John. Les took a liking to that part of the country during his posting to Dawson Creek and decided to hang his hat up there. Good luck, Les.

WO 2 Tom Carlyle-Bell was posted to the PPCLI Depot as RQMS on June 14th vice former WO 2 Harold Young who is now in Wainwright.

Coral Mains, our message Centre expert, left for a new job with the Income Tax Dept. on May 31st.

## Safety News

The Regina Kid says that a new safety rule should be introduced to ensure that all drivers when going through a School Zone are made to close their eyes to protect the pupils!

## Appointed Solam

Major H. R. Haines who joined us at the close-out of 7 AOD in Regina last July, has been appointed SOLAM Edmonton. He will probably be taking over his new duties in the fall.

## Camp Staffs

The annual exodus of ROD personnel on various camp duties will commence early in July. Sgt. Ralph Reeves, Inspections, will be going to Banff to join Lt. Col. S. E. Hunter, who has been named Commanding Officer of the National Cadet Camp again this year. WO 2 Tom Carlyle-Bell, Sgt. Vern Webb, Cpl. Bonnville and several others have been warned for duty at Wainwright.

Capt. E. D. McRae, CO of the Calgary Det. headed for 10 PD and release this month after a lengthy army career in various parts of Canada. Sgt. R. Dalzell also of our Det will be leaving on posting to 8 AOD Vancouver in July. Staff G. H. Emperingham has been TOS'd Calg Det from 215 Wksp.

Major M. G. McCannel will be returning to his old stamping grounds with the depot in July from the RCOC School. He replaces Major Haines who is leaving.

Mr. Earl French who has been with us for about 9 years retired from the Civil Service this month.

Sgt. Cliff Thomas has now officially been posted to HQ RCOC after a considerable period

of time. He will no longer have to worry about being needed by the Inspection Section as to when he was coming back to work.

## GATE CRASHERS

We knew that army personnel across Canada were always trying to get back to 17 ROD but the one who crashed the front gate a few weeks ago could surely have found an easier way to obtain a transfer.

Mr. Fred Storey left on June 14th for a packaging course at the RCOC School. Pte. K. E. Patterson spent from May 17 to June 18 on a Para Rigger Course at 28 COD, Shilo.

## GRADUATE OF VETERINARY MEDICINE

Kenneth Gardiner, son of Sgt. and Mrs. George Gardiner of 10123 - 141 Ave., Griesbach Barracks, has graduated from the University of Guelph as a Doctor of Veterinary Medicine. He will be located in Wetaskiwin, Alta.

Sgt. and Mrs. Gardiner travelled to Guelph, Ontario, to attend the graduation ceremonies. Another son, Robert, is attending the University of Illinois and has received a summer scholarship.

#### Women's Auxiliary

On May 19th a Card Party was held in the P. T. Lounge. Following dessert and coffee, various games of cards were enjoyed. Those receiving prizes were Mrs. Lamont, Mrs. Quick, Mrs. Carriere, Mrs. Suffern, Mrs. Byron, Mrs. Digweed, Mrs. Henderson and Mrs. Rude.

We wish to thank all those who entered our Baking Competition, which was held in conjunction with the Griesbach Fair and proved to be very successful. We were very pleased to have Laura Lindsay of C.F.R.N. — T.V. as judge of this Competition and to later ride in the Fair Street Parade. Prizes were awarded as follows.

**BREADS:** Adults.  
1st Prize — Mrs. D. A. Browning  
2nd Prize — Mrs. W. Peterson  
**PIES:** 1st Prize — Mrs. L. Jarvis  
2nd Prize — Mrs. J. Johnson  
**CAKES:** 1st Prize — Mrs. W. Mills  
2nd Prize — Mrs. R. Graham

**Teens**  
**CAKES AND COOKIES** 1st Prize — Jean Wright  
2nd Prize — Jacqueline Williams  
**Special Prize**

(Donated by Laura Lindsay) — David Anderson

**Children**  
**CAKES AND COOKIES** 1st Prize — Anita Park  
2nd Prize — David Quaintance

After the judging, the baking was sold at the Fair, along with candy apples, which again proved to be very popular.

On June 7th, several members attended the service at the Hope Mission and served lunch to the men present.

Our members served lunch to the students and parents attending the Color Night Ceremonies of the Griesbach Junior High School on June 11.

Following the morning Service on June 13, the ladies of our Auxiliary helped with the Reception and tea honoring Lieut. Col. J. Cardy, Command Chaplain (P.) and Mrs. Cardy and their son Tony.

For our last meeting of the summer, we enjoyed the supper at the Thunderbird Restaurant. Our meetings which will commence again in September, will find us busy preparing for our Annual Bazaar, which will be held late in the Fall. New members will be very welcome and anyone wishing transportation may phone Mrs. Mae Reeves at 479-5197. Our meetings are held the 2nd and 4th Tuesday of the month in the Conference Room of the Chapel, commencing at 8:00 p.m.

## CHALK TALK

by Brian Davis

#### Color Night

The Junior High School Annual Color Night was held in the school auditorium on June 11. Following the Invocation by Padre E. W. MacQuarrie, School Principal Harold Ulmer welcomed the parents and introduced School Board Chairman, Major D. J. Elfner.

The Valedictory address of farewell was given by Alison Swick and Nancy Bunning gave the Salutatorian's Address of Welcome to the parents. The Grade 9 Class of 1965 were presented with their diplomas by their class teachers, Messrs. P. Cabinet, H. Haiduk, and B. Davis.

Miss Mary Liviero and her class did a fine job in decorating the auditorium. The Vaquerros provided the music for the school dance.

#### Project Wheelchair

Vice-Principal John Karpiak's Grade 7 class of 35 students recently completed their Junior Red Cross project for the year. On May 15, class representatives Jane Cummins, Judith Grant, and Wendy Appleton presented a wheelchair to Dr. M. R. Bow, Honorary President, Edmonton Branch Red Cross. Students raised funds during the year by showing films after school. They also ran a bird-house and bird-feeder contest. Next project for these enterprising J.R.S.'s is an aquarium for the school.

#### Band Concert Thrills

"It's the best concert I ever heard" was the general comment indicative of the students' reaction to the PPCLI Band Concert given in our schools in early June by kind permission of Brigadier Leech, Area Commander, Alberta Area, and the Edmonton Musician's Union. There was

excellent continuity and variety. The entertaining and instructional program was enlivened by the cheerful personality and lively comments of the Band Director, Lieut. G. C. Naylor. The Band is assured of a great welcome again next year.

#### Examination Results

Grade 9 Departmental Examination results should be in the hands of students by the first week of August.

#### Sports

The Edmonton City Junior High School Track Meet was held on May 28 at Coronation Park. Griesbach junior high students participated and secured some minor placings. Both Griesbach schools held their track meets in brilliant sunshine on June 8. It is interesting to note that our school sports achievements are closely approximating the Edmonton City records. Success of No 2 school track meet was done in large part to the organization efforts of Mr. N. Bodnar.

#### To Vancouver

Miss Lorraine Image, former secretary to both schools, is visiting her aunt in Vancouver. Miss Barbara Munro is welcomed to our secretarial staff at No. 2 school. Miss Munro hails from Brandon, Manitoba, and formerly studied at the Canadian Bible College in Regina.

#### Color Day

Color Day for No. 2 School will be Tuesday, June 29 and will comprise of both Academic and Athletic awards.

Athletic awards and Elementary school Academic Awards were on Monday June 28 at No. 1 School.

### Baseball News

The Griesbach Tyro Baseball League commenced its summer schedule May 25. This year the League comprises six teams, an increase of two from 1964. The boys who play in this league range in age from 8 to 10 years. They play an average of two games a week at their own scaled down ball diamond located at the rear of the Griesbach Curling Rink. Games start at 6:30 p.m. and are of 6 innings duration. The schedule and standing are listed below. Parents and anyone interested are urged to come out and cheer the boys on.

#### STANDINGS AS ON JUNE 15

	WON	LOST
Lions .....	3	0
Twins .....	2	1
Vikings .....	1	1
Colts .....	2	2
Dodgers .....	1	2
Mets .....	0	3

#### PREVIOUS SCORES

25 May — Twins 24	Mets 5
27 May — Lions 22	Vikings 12
1 June — Colts 10	Dodgers 9
3 June — Twins	Vikings (rained out)
8 June Dodgers 12	Mets 7
9 June — Lions 17	Colts 5
10 June — Twins 23	Dodgers 5
11 June — Vikings 4	Colts 3
14 June — Lions 11	Mets 6
15 June — Colts 9	Twins 6

### Fish and Game Winners

The last meeting of the association prior to summer recess was held in the 13 Wks Coy RCE canteen June 16. A vote of thanks was tendered to the president, Maj. Frank Battershill, who is retiring very shortly.

A Fish Derby was held at Lac Ste Anne on June 11 and 12 with 17 members attending.

#### WINNERS ARE:

##### Adults:

Largest-Pickerel .....	Sgt. Tate — Tackle Box
Most Pickerel .....	Capt Parker — Tackle Box
Largest Jack .....	Sgt. Webb — Tackle Box
Most Fish .....	Sgt. King — Reel

##### CHILDREN:

Largest Pickerel .....	Artie Watt — Rod and Reel
Most Pickerel .....	Suzan Debney — Rod and Reel
Largest Jack .....	Ken Webb — Rod and Reel
Most Fish .....	Garry Debney — Reel
Smallest Pickerel .....	Steve Webb — Tackle Box
Smallest Jack .....	Peggy Webb — Tackle Box

##### OTHERS:

Best Fish Story .....	Sgt. Debney — 2 Lures
Only Perch .....	Mrs. Webb — 1 Lure

The next meeting will be held in September on a date to be announced.

#### P.P.C.L.I. DEPOT NEWS

Some of the Depot staff proceeded to Camp Wainwright for a day this past month to qualify on the range. After seeing the results we will have to retract our sarcastic comments made last month about the "other units" and staff. Lt. Tony Ferguson had the ranges well organized. The only thing that I can think of that may have distracted us was Maj. Wally Mills with his favorite cigar.

Cpl. Jim Dearden qualified on the soccer Coaches and Officials course in Borden in May, Cpl. Stan Stothard on the Advanced Infantry Anti-Tank course and Cpl. Bud Knight topped the RCAPC Senior NCO course at Kingston.

Capt. Paul Robinson, just back

from Ghana, was posted in. Lt. Bill Griesbach arrived from London, Ontario, Cpl. Art Furniss from the second battalion along with Cpls. Vince Pelletier and Jim Webb. We bid you all welcome and hope your stay will be an enjoyable and a fulfilling one.

Cpl. Stan Stothard was posted to 2 PPCLI on May 25. The SMG team of Sgts. Jim Scott, Tom Reid, Cpls. Emerson Lowry, Vince Pelletier, Bob Shaw and Mel Barker ably captained by Sgt. Doc Miles came third in the Alberta Area competition. Special mention to Cpls. Lowry and Shaw for reaching the Western Command competition.

Moro Platoon interrupted their recruit training to take part in the 2 PPCLI Trooping to Colour ceremony where they turned-in

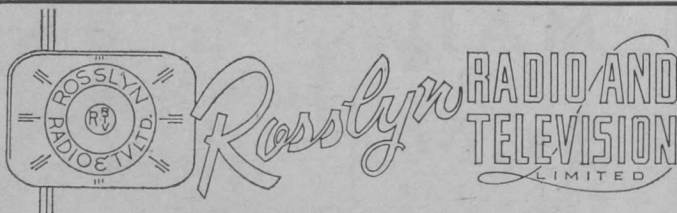

a commendable performance.

Pte. Bob Pearson was married May 29 to Miss Leona Winters. Our best wishes for a long and happy union.

Rumour has it that Sgt. Pete Beka has oil troubles in his car that are not in the engine compartment.

Sgt. Bert Moseley has a new car! An Austin 1800, power disc brakes, individual suspension, gear shift on the floor, side turn lights, big trunk, etc. etc. For further details on the attributes of his super machine contact Sgt. Moseley who will gladly talk for hours on the subject.

If this weather continues, we won't have to take our rain coats on leave. Hope everyone has a pleasant holiday. See you in August.

# Promoted To Brigadier

COL. MILROY

COL. CUNNINGTON

BRIG. MILLAR

Canadian Forces Headquarters has announced the promotion of three senior armed forces officers to the rank of brigadier, the promotions take effect on the dates the officers assume new appointments.

They are:

Col. William A. Milroy of Edmonton, to take command of the 3rd Canadian Infantry Brigade Group, Camp Gagetown, N.B., late in July. He has been director of staff duties and operational training at Canadian Forces Headquarters.

Col. Douglas W. Cunningham of Calgary, appointed director general of senior appointments at Ottawa, effective Oct. 12. He now commands the Canadian contingent to the United Nations Emergency Force in the Middle East.

Col. J. R. Millar of Springhill, N.S., appointed chaplain general (Protestant) of the Canadian armed forces, effective May 6.

## for the Ladies

By Betty Hunter

The long awaited warmer weather has finally arrived and with it the trees wearing their summer dress, the gardens bursting with growth, and best of all, the return of the birds. It is almost a pleasure to awaken these mornings to the sound of the early birds going about their business. The robin seems to favour our part of camp. If you sit quietly out-of-doors you can see him searching busily for the family meal. This gives the cats an additional interest in life, too. They stalk the robins intently, but with the lack of cover in our vicinity the result is a forgone conclusion. I think the birds pretend to be short-sighted just to give cats the excitement of the hunt because as soon as that old tom gets within striking distance, off the bird flies to sit on the clothes post with a very smug look on his face.

### BON VOYAGE

With the end of the school year we shall once again see friends and neighbours departing on postings or retirement. Each time we hear of friends leaving for distant parts it reminds us of the postings we have enjoyed or endured in years gone by. Although we may never become completely reconciled to this aspect of Service life, there is always a chance of meeting old friends in new postings. This is probably what makes it easier to face. We

wish to all who are leaving this summer "bon voyage and good luck." May your new posting be a happy one.

### PPCLI JUBILEE WIVES CLUB

The ladies of the PPCLI Jubilee Wives Club held their final meeting of the season as the guests of Molsons at a Dinner Meeting at Edmonton House on June 8. A farewell presentation was made to Mrs. E. M. K. MacGregor, the Honorary President, who will be leaving on posting this summer. Edmonton House, which is a replica of

one of the original buildings within the stockade of the old Fort Edmonton, contains a fascinating collection of weapons, furniture and utensils of the 18th century.

The winner of the Phillips 19 television set raffled on June 11 was David Miller, son of Cpl. Donald Miller, of RCOC.

### CANADIAN MENTAL HEALTH

A camp for patients at Oliver Hospital is planned for this summer. It is part of the therapeutic programme to encourage patients to take part in physical activities away from the Hospital atmosphere. However, the provision of swim suits and sportswear is a large undertaking and the PPCLI Jubilee Wives Club, as a summer project, is collecting unwanted Adult sportswear from the residents of Griesbach for use at this Camp. This collection has already commenced, but if you have items you think would be of use, will you please take them to the Snack Bar or phone 479-4534 for pick-up. In most basements, packed away in cupboards and trunks, there must be many unwanted articles of clothing that would be invaluable for use at the Camp. They will probably end up being thrown away next time you are posted, so you are asked to look for any bathing suits, sports clothes, including straw

### WHATS WHAT???

AT

### 13 WORKS COY RCE

by Rosemary Parsons

Hello everybody, guess what? — summer's here with its mosquitoes in full force. Do you have a good supply of baseball bats??? Wonderful.

By the time this edition comes off the press we will have said good-bye to another employee. Best of luck to you in Calgary, Carole. It's a good thing we didn't put away the welcome mat, for Spr Tipper and his family have just arrived from Chilwack. Hope you enjoy your stay with us.

Mr. Clelland has now been struck off the sick list and a new name added, Mr. Bill Bauml. Hurry up and get well Bill, it's too nice to be sick.

Congratulations are extended to L cpl Dominick and Spr McMillan on successfully completing the Jr NCO Course. Mr McCroary is now a graduate of the Fire Protection Course in good standing. "Cpl Brown"!!! not you too... Oh well, go ahead and learn about Fire Protection too.

A thousand pardons to young TREVOR GORDON BROWN. The announcement of your arrival was missed in last month's article. "SORRY"!!!

Mr. and Mrs. Struk aer the proud parents of a bouncing baby boy — MICHAEL JOHN. This is sure a year for boys.

"GET YOUR GENUINE KLONDIKE WHISKER RUB HERE"!!! — Girls, no pushing, there's three booths. Take your pick: Mr. W. Bellmore, Howard Meger or Mr. A. Brenda. "O-o-oh it tickles"!!! So I've been told.

I'm warning you, stay clear of the flower beds ruled by "KASPER and HIS MEN". Armed with Spray Gun and Hose he stalks all intruders. "YE-OW"!!! B-B-B-But!!! B-But kasper, that flower looks better on my desk. You won't catch me snitching the next flower.

Before I close, one word of advice. If anything appears in this column during the next two months — "REGARD IT"!!! It won't be my work. It will be the work of Cpl Loney.

Be good??? See you all again in September.

hats, sandals, etc. both mens' and ladies', for which you have no further use. Won't you please help now by donating your unwanted swim suits or other sportswear to this very worthy cause. To those who have already donated clothing for this drive, please accept our thanks for your co-operation.

## TURTLES A Health Hazard

EDMONTON — Information to the Griesbach Bugle from the Regional Surgeon's Office has stressed the fact that pet turtles may carry salmonella bacteria which could cause human salmonellosis.

### SERIOUS INFECTION

The salmonella bacteria causes gastroenteritis in man, with diarrhoea, vomiting, abdominal cramps and fever. It is incriminated frequently in outbreaks of "food poisoning". The results of salmonellosis may be serious or fatal, especially when very young children are infected.

### INFECTION EASILY TRANSMITTED

The method of transmission of the infection from turtles to humans is usually either when Children at the "hands-in-mouth" stage have handled turtles, and then had their hands or fingers in their mouths, or when turtle water has been dumped in the kitchen sink, infecting eating utensils, or when turtles are placed in dishes used for food.

### PUBLIC KNOWLEDGE NECESSARY

The public should be made aware of the health hazard involved in keeping pet turtles. It appears that "sliders" or red-eared turtles, painted turtles, box turtles, and "mud turtles" or baby snappers are all affected.

### PRECAUTIONS

This hazard can be controlled by the following commonsense methods:

Only children responsible enough to wash their hands after handling turtles should be permitted by their parents to keep them as pets.

A special "turtle dish" or other container should be used for keeping turtles, and for no other purpose in the home.

It is best only one member of the household care for the turtles, making sure to scrub their hands thoroughly after every contact with them.

Other household pets should not be allowed to drink water from turtle dishes.

## PROVOST CELEBRATE SILVER JUBILEE

The Canadian Provost Corps, observed its silver jubilee June 15, marking 25 years of service in peace and war.

Highlight of the celebration was the unveiling, June 13, of a corps memorial at the C Pro C School in Camp Borden, Ont.

The Corps' regular army units celebrated the event with a variety of functions from former mess dinners and balls to sports days and cook-outs.

On June 4 in the Edmonton Area a Silver Jubilee All Ranks Ball was held at Hamilton Gault Barracks, Griesbach, hosted by the Officers, WOs, Senior NCOs and Men of the Corps.

The Toast to the Corps was proposed by Superintendent E. Porter of the RCMP, a former officer of the Corps. The reply to the toast was given by Lcpl LR Billings of the Edmonton Provost Detachment.

The honour of cutting the Corps Birthday Cake was extended to Sgt GR Johnson of 10 SDB and Mrs. Johnson. Sgt Johnson is the member of the Corps in Western Command with the longest service, having joined the Corps in April, 1941.

Major JC Treleaven, CD, Command Provost Marshal, and Mrs. Treleaven's head table guests included the Guest of Honour, Superintendent Porter and Mrs. Porter; Colonel MF MacLachlan, OBE, MC, CD, Chief of Staff, Headquarters Western Command, and Mrs. MacLachlan; Major J Whiteford, Commanding Officer, 14 Provost Company CA (M) and Mrs. Whiteford; Captain DL

Ssgt and Mrs. G. R. Johnson cutting the Jubilee Birthday Cake at the Canadian Provost Corps Silver Anniversary All Ranks Ball held June 4 at Hamilton Gault Barracks.

Stone, Commanding Officer, 1 Provost Platoon, and Mrs. Stone. During the evening the Corps was honoured by a visit from Major General JM Rockingham, CB, CBE, DSO, ED, CD, General Officer Commanding Western Command.

On June 6th members of the Corps and their wives attended services held in the Protestant and Roman Catholic Chapels of Griesbach Barracks.

In Winnipeg, jubilee events on June 12, included the presentation of a plaque to the RCMP's "D" Division, Winnipeg, in recognition of the RCMP contribution to the formation of the corps in 1940.

Ottawa's military policemen held an anniversary ball at HMCS Carleton June 11.

## Alta Sig Sqn News

by Cpl RR Gibson

Lt Col JH Gillet will be assuming the position of Command previously at CFHQ Ottawa with Signal Officer on July 5. He was he Directorate of Communications Engineers.

The Squadron wishes to thank the men who volunteered their services running the penny pitch at the Griesbach Fair.

Approximately \$40.00 was realized in profits which will be used by the Griesbach Association to carry on their good work.

WO2 Lowe will be leaving the Squadron this summer, returning to his former stamping ground in Command Signals to replace WO2 Tracey who is being posted to Camp Borden Signal Squadron or as he puts it, "Back to Canada". (I get the impression he does not like the West!!)

Mrs Parr-Pearson, a typist in the Signals Orderly Room for the past two years will be leaving at the end of this month. Sgt Parr-Pearson from Command "Q" Branch has been posted to Germany for a three year period.

The Line Crew are busy this year constructing a new line on Purple Route in Camp Wainwright. They tell me the mosquitoes are as big as ever. If those lucky fellows think they are bad up there, they should try cutting their grass in PMQ's some calm evening. Even though the engineers are putting up a good fight, I sometimes think those "biting" bugs are getting the upper hand.

After a total of eight years of sunny Alberta's fine weather, WO2 Thibault is very happy to hear that he is being posted to the School of Signals in Kingston, Ontario. He has been kept busy in the Foreman of Signals Office for the past few months, which is a change from his usual duties as Line Construction Foreman. He will be taking holidays en route and will be visiting his home town on the East Coast.

## RECRUITING NEWS

### Comings and Goings

We are pleased to welcome Lt. P. E. Fane, R.C.N. to the staff. He is replacing L. Cdr. W. E. Widdows on departure for release from the Navy after a long and varied career ashore and afloat.

Notification has also been received of the posting of Sgt. Debney and L. S. Kellerman and the release of Sgt. Robinson, Cpl. MacAulay, RCAF, departed for Sub FCRC Victoria in mid- June.

### INTEGRATION

There is still a noticeable lack of togetherness in our recruiting procedures but there are regular signs that great changes may be expected before too long. At our own unit level problems are diminishing daily now that trilingual proficiency in inter-service jargon has reached a very high standard.

Capt. Grimes recently spent an interesting week at HMCS Naden in Victoria. He is now well versed in Naval training facilities and methods and, after all these years, is pondering whether his decision to join the Army was correct.

### Commissions for Serving Other Ranks

Serving other ranks who have a junior or senior matriculation, single, and between the ages of 18 and 24 may be eligible for commissioning under the Serving Soldier Officer Training Plan (SSOTP), or the Officer Candidate Plan (OCP). Applications for these plans are now being processed for summer selection and full details are available from unit orderly rooms. If you think you qualify see your commanding officer as soon as possible.

## LIGHTNING QUIZ

### What's Fact and What's Fancy

By Margery McElheny

Do you have astrophobia?

Most people do, and a healthy amount of it is beneficial. You're typical, too, if you don't know offhand that astrophobia is fear off lightning.

All the civilizations of man have had it. Ancient Greeks believed lightning to be the weapon of Zeus, father of the Gods. Today, the eagle on the back of a dollar bill claps ancient Greek lightning arrows in its claws.

The following quiz prepared by the Lightning Protection Institute was designed to test the most common misconceptions about lightning and lightning protection.

1. A lightning bolt can strike "out of the blue."

**True.** The period of peak danger is just before the rain; clouds may still be miles away.

2. An average square mile receives 40-80 lightning strikes a year.

**True.** The average Canadian community has 40 thunderstorm days per year, and from one to two lightning strikes to ground per storm.

3. An adjacent tall tree will protect your house against lightning.

**False.** A survey showed that 10.1 per cent of the bolts that damaged houses first struck a tall tree, then jumped to the house.

4. A grounded television antenna functions as a lightning rod.

**False.** The average television antenna is a target rather than protection. It should have a lightning arrester and be tied into a complete lightning protection system. Television antennas were struck in 29.2 per cent of the home loss cases studied.

5. Modern homes are more vulnerable to lightning damage than houses 30 years old.

**True.** Today's houses are larger and contain more metal; and more of them are located in exposed areas.

6. Houses in cities are safe

from lightning.

**False.** A house has some protection if located near high towers, smokestacks and skyscrapers but, as cities spread, this protection is lost.

7. Does a lightning bolt travel upward, downward, or in both directions?

**The downward-reaching "leader stroke" is followed by the destructive "return stroke."**

8. Does lightning strike buildings because building materials are better electrical conductors than air? Because they are inflammable? Because they interrupt air currents during a storm? **A building provides a ladder for an upward climb of ground charges.**

9. Is the purpose of lightning protection to: Prevent lightning from striking? Drain off static electricity? Convey a lightning bolt safely to ground?

**Air terminals (rods) are located to assume any lightning bolt, and a heavy conductor cable carries the stroke to ground rods, which convey it into moist earth where the charge dissipates.**

10. Do most casualties from lightning occur: On the golf course? In the home? On the beach?

**In the home, when you count injuries and deaths.**

11. The number of fires to buildings in the United States caused by lightning bolts in an average year are: 35,000; 50,000; 1 million?

**35,000, or about 11 per cent of all fires; in outlying areas, a third or more.**

12. A home lightning protection system is recognized as proper if: It carries a U/L Master label? It has a manufacturer's warranty? It is approved by your fire insurance company?

**Underwriters. Laboratory is a quality check system in backed by both manufacturers and fire insurance underwriters. A U/L master label assures a proper installation as well as proper materials.**

## Pay Parade

By Cpl. R. R. White

A RCAPC Golf Tournament was held at the Namao Golf Course on May 31. The day was a normal "sunny Alberta" type of day with something in the neighbourhood of two inches of "liquid sunshine". Nevertheless, all who attended enjoyed themselves, both on the Course and at the "19th hole."

A few words on behalf of the "winners" of the various classes, particularly on behalf of those responsible for the "diplomacy" used in choosing them. Major W. J. Wilding was awarded the prize for the "Low Hidden Hole". He also found himself tied with Cpl. J. A. "Bud" Knight, and this "stalemate" was played off at the Ninth Hole. Cpl. Knight was the winner. (It may be mentioned at this point that Cpl. Knight has just recently completed his Senior NCO Course and this may have influenced his actions somewhat during this crucial play-off). The other winners were Pte. R. G. Rogers, Sgt. A. F. Beck, Cpl. H. E. H. White, Capt. A. F. Nelson, Cpl. J. M. F. Nadeau, Sgt. R. A. Stuart and last, but not least, Sgt. T. P. D. Flanagan. It is this writer's understanding that Sgt. Flanagan (Pay Sgt. — 2 PPCLI) should have been awarded a special prize for the most honest golfer. He compiled a score of "118" and, then, (as the story goes) he started for the second hole. 'Nuf said'.

Now, on to more important things. Sgt. L. A. "Lou" Ross will be comfortably ensconced in Cyprus at the time of this printing, complete with golf clubs,

Bermuda shorts and suntan oil. Sgt. Ross, who is formerly of the Command Pay Office, stated that he intends to retire from the Canadian Army on the completion of his "Mediterranean Holiday" after 26 years service. His experience and knowledge will be sorely missed by all in the RCAPC.

There have been a number of other changes in personnel which affect Western Command Pay Office: Capt. A. F. Nelson, formerly Command Accounts Officer, has a new appointment as a Staff-Captain "A"; Capt. E. G. Pescod, formerly Administrative Officer with the Command Pay Office, has been appointed Command Accounts Officer; from Vancouver we have welcomed Lt. J. P. Boyer as the Administrative Officer in Western Command Pay Office, Institutes Officer, will shortly be leaving for a new post as Senior Paymaster at Camp Borden.

As mentioned above, Cpl. J. A. Knight has just completed his Senior NCO Course, at RCAC Training Wing in Kingston, Ontario, and congratulations are most surely in order as CPL Knight "topped" the Course and was awarded the drill stick and the Brigadier Mortimer Trophy Well done, Bud!

Sgt. ED Fields has looked slightly heavier on his right side as he was recently promoted to Staff Sergeant. (What did Shakespeare say? "Heavy lies the head that wears a crown") A very bad joke, Gene, but it seemed very appropriate.

## NUTS & BOLTS

by Cpl. J. Woychuk

The "Happy Gang" of 224 Workshop RCME have spent several hours working overtime to get our customers' vehicle out on time for Summer Concentration. A few of our boys have followed the dust trails of these vehicles to the Ponderosa for part of the summer.

In past issues it seems that several members are leaving the fold. This issue not being different is again filled with farewells. S. Sgts. Wally HIGHTOWER and Don STEVENS will soon be putting their Deutch into practice. Both are headed for Soest Germany. Sgt. Bill LAINE, with 27 years service behind him is retiring. Looking for greener pastures are Cfn Red MCCULOUGH, Cfn Rene JOUR-

DAIN and Cfn Dick STOCKARD who left us for civvy stdeet. To all who are leaving we wish you every success in your endeavours.

For some students school is out, but not for Sgt. Ernie POOTS who is attending the Armoured Personnel Carrier course at the RCME School.

It's also nice to see WO2 Dick "Tiger" STORBO up and around even though it's on crutches, as some of us were quite envious of his extra attention and leave.

We extend a warm welcome to S Sgt Alex STEWART, HQ 13 Coy RCME's Scaling NCO and Mrs. Lois PAYET, who is relieving Mrs. Ella SCHULTZ for several months.

## "I" Cadre News

by Sgt. J. A. Hendrie

Okay, all you Sgts and WO's in the area, bleed your hearts out. We have been awarded a trophy for our fine volleyball play during the past winter. This of course is a challenge trophy and will be up for grabs next winter. They say that advertising pays and I guess may be they are right. In the last issue of the Bugle we complained that we had received no trophy and that there seemed to be none available and Lo and Behold, now we have one. Of course there are those people who will say that this is just another case of the squeaking wheel getting the grease. Anyway we have it and we aren't planning on giving it up without a fight. Challenges will be accepted again after the Camp Wainwright Concentration.

I wonder how many people who watched the last 21 gun salute being fired at the Legislative Buildings realized that half of those gun crews were made up of members of the Edmonton detachment "I" cadre personnel from RCAC and RC SIGGS while the other consisted of RCEME, RCE and C Pro C. Versatility is the keynote of a good instructor and this seems to prove that we have a group of the finest instructors in the country right here in Edmonton. Not only were the gun crews efficient but they also drove the required transport to and from the gun positions. I should add that all this was done in the rain after a 3 minute crash course on how a gunner should operate.

After 5 years of service with this Detachment our OC Capt. Wilf BARREY of the Black Watch has left on posting to the Viet Nam Truce team. If

he does the same job in Hanoi as he has done here the war will be shortened by several months at least.

To replace our departing OC we welcome LT PARLIAMENT from Germany via London, Ont. Lt Parliament is RCOC by trade and Detachment Commander by profession. Hope you enjoy your stay in Alberta and it is not true that the sun never shines on the weekend. I personally know an older chap who says that he went to church on Sunday some years ago without his raincoat. He is not just sure if the sun was shining or not but he distinctly remembers that it was not raining. Also welcome to Sgt. Harry HART from the Edmonton Det C Pro C. arrived and was promptly turned into a gunner and he did very well, so I know he will be an asset to the Detachment. Also he plays a snappy game of volleyball.

That's it for this edition and

as we are off to Wainwright. See you in the fall.

Cheers and Hurrahs to all you lucky people who aren't going to be away this summer. You must tell me what it is like sometime. Of course I do get out of a lot of grass cutting and the like. Oh well, C'est la Vie. That's my contribution to B & B.

### SECOND BATTALION

#### Princess Patricia's Canadian Light Infantry

Hamilton Gault Barracks, Edmonton, May 25. — Two hundred and forty members of the Second Battalion Princess Patricia's Canadian Light Infantry, performed the traditional Trooping the Colour ceremony on June 4.

His Excellency General, The Right Honourable Georges P. Vanier, DSO, MC, CD, Governor-General of Canada, reviewed the four guards of 60 men each.

Under the command of Lieutenant-Colonel E. M. K. MacGregor, the ceremony of "Trooping the Colour" highlighted a day of activity for the Patricia's.

After the ceremony, members of the battalion and their guests attended an all-ranks reception in the Kapyong Building.

### BANK OF MONTREAL Griesbach Barracks

## 2 PPCLI NEWS

On June 3, the GOC, Major General JM Rockingham, CB, CBE, DSO, ED, CD, did his annual inspection of the battalion in the drill hall.

On June 4 the Trooping was held on the parade square. PPCLI cadets mounted a Quarter Guard in honour of His Excellency General The Right Honourable Georges P. Vanier, DSO, MC, CD and Madame Vanier. His Excellency accompanied by Madame Vanier took the salute and on the conclusion of the Trooping, he addressed the troops saying that it was the best Trooping he had ever seen. A tea was held in honour of His Excellency in the Officers' Mess.

Two members of the PPCLI Sky Diving Club, Cpl Fred Adams and Lcpl Bill Dickson, took part in the Water Safety '65 show held at Wabamun on June 6 and DID land in the lake.

### OFFICERS' MESS

On June 3 the Trooping Mess Dinner was held.

The Trooping Ball, June 4, was attended by 150 guests.

The Mess welcomes Major GE Anderson back from Cyprus and Captain JC Jefferson, who is to be the new Medical Officer for 2 PPCLI.

### SERGEANTS' MESS

The highlight of the Mess was the "Trooping Ball" attended by 270 mess members and guests on Friday, June 4.

Brigadier JA deLalanne (ret) of Montreal and Colonel JC Allan (ret) of Victoria, B.C. paid an unexpected visit to the Sgts' Mess to reminisce with some of the older members of the mess.

The two officers, former members of PPCLI were introduced to the younger cluster of the mess.

Sgt Ken Kliever collected \$350.00 at the Griesbach Community Fair on Saturday, May 29. Ken held the lucky ticket for the draw.

New appointments as President of the Sgts' Mess Committee changed June 1.

WO 2 WE Myhre assumed the PMC duties from RQMS (WO 2) CE Sundman.

WO 2 DIT Roe assumed the duties of Vice PMC from WO 2 John Richardson.

Lance Sergeant B. D. Richardson was appointed Treasurer vice Sgt. R. J. Craig.

Staff Sergeant Alex Sim will remain as Secretary until a suitable replacement is available.

WO 2 ME Wilson reported in from the 1 Staff Prince Edward Island on June 7.

Sgt. A. E. Sharkey reported in from the Lord Strathcona Horse Regiment, Sarcee, Alberta,

on May 31.

Both soldiers are members of the RCME and will be working out of the Battalion's transport.

A June bride held her reception in the Sgts' Mess Wednesday, June 2. The former Charlene Roe, daughter of WO 2 DIT Roe, and Mr. Paul Towns were married in St. John's Chapel, Griesbach Barracks, at 6 p.m. Padre S. H. Clarke officiated at the ceremony.

The Sergeants' Mess Annual Rifle Shoot and indoor games were completed and prizes awarded on Friday, May 28.

Games competed for, and the winners were:

Shuffleboard, single

Sgt Wilson C A

WO 2 King R J

Chess

Sgt Vallance F J

Regimental Sergeant - Major (WO 1) R. H. Appleton won the chrome plated shovel for the competition.

### CORPORALS' MESS

On May 28 a Mess Dinner was held by the PPCLI Home Station Corporals' Mess.

The Trooping Ball was held on June 4 in the Men's Mess.

A pre-concentration Smoker was held on June 10 for all members.

We would like to welcome Corporals Bill Henderson, Ron Hannusch and Bob Long who recently joined our RCAMC staff.

Farewells are extended to Garne Bigelow who recently left for Cyprus.

# Queen in Germany

During a brief ceremony of the Canadian school in Soest the Queen was presented with a special friendship pin for her daughter Princess Anne. Girl Guide Lynn Wood, 16, centre, daughter of Sgt.-Maj. (WO 2) William J. Wood, RCME, Saint John, N.B., makes the presentation. Holding the cushion are Brownies Mary Helen Cormier, 11, left, daughter of S/Sgt. Cy Cormier of Terre Noire, Inverness Country, N. S., and Brenda Hargreaves, 10, daughter of Sgt.-Maj. (WO 2) William C. Hargreaves of Winnipeg, Man. At extreme right is Prince Philip.

## RCDC Birthday

June 4, 1965

The Royal Canadian Dental Corps observes its 50th anniversary this year.

The RCDC is one of the few armed forces organizations which does not have to adjust to integration for it has been operating on this sort of basis since 1939.

Dental officers and men served in every war theatre and gave treatment closer to the front lines than any other

country by means of field dental kits and dental vans which rolled in almost to the line in some cases.

Both dental and militia formations were redesignated the Royal Canadian Dental Corps on Jan. 15, 1947.
